Web Announcement 2461

**Attention Provider Type 33 (Durable Medical Equipment, Prosthetics, Orthotics and Supplies):**

**Reminder Regarding Rental Equipment**

Providers are reminded that per Nevada Medicaid policy in [Medicaid Services Manual \(MSM\) Chapter 1300 DME Disposable Supplies and Supplements](#) Section 1303.A.2: “During a rental period, rental rates include all supplies and accessories necessary to render the equipment useable and safe, delivery and set up services, education and training for recipient and family, routine maintenance and servicing (such as testing, cleaning, regulating and checking equipment), repairs, non-routine maintenance and servicing (such as breaking down sealed components and performing tests which require specialized equipment and skills of a technician) and replacement of items.”

Supplies used with rented equipment are included in the rental rate and agreed upon with the enrollment contract signature. Per [MSM Chapter 100 Medicaid Program](#) Section 105.C.1: Providers agree and accept responsibility to: “accept Medicaid payments as payment in full for services rendered and under no condition, except for lawful patient liability, contact the patient or members of the patient’s family for additional monies.”
